LAB _____

Where does your lab stand?

A dot for today, an arrow, a star for 2030. Write next to the arrow if you want.

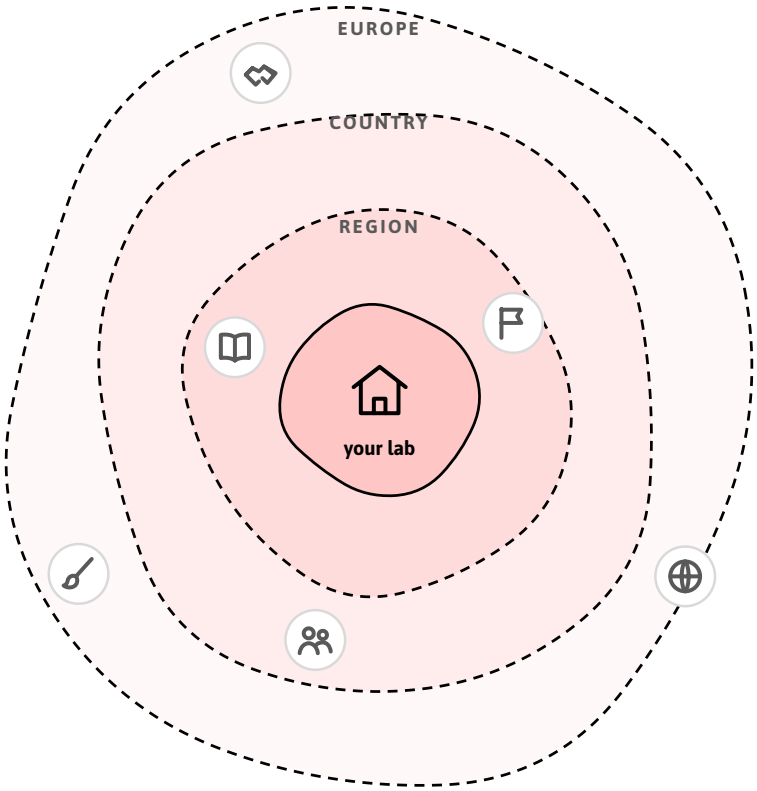

Experience & capacity

today · the move · 2030

Your ripples

Write the people and organisations you can count on, ring by ring.

LAB _____

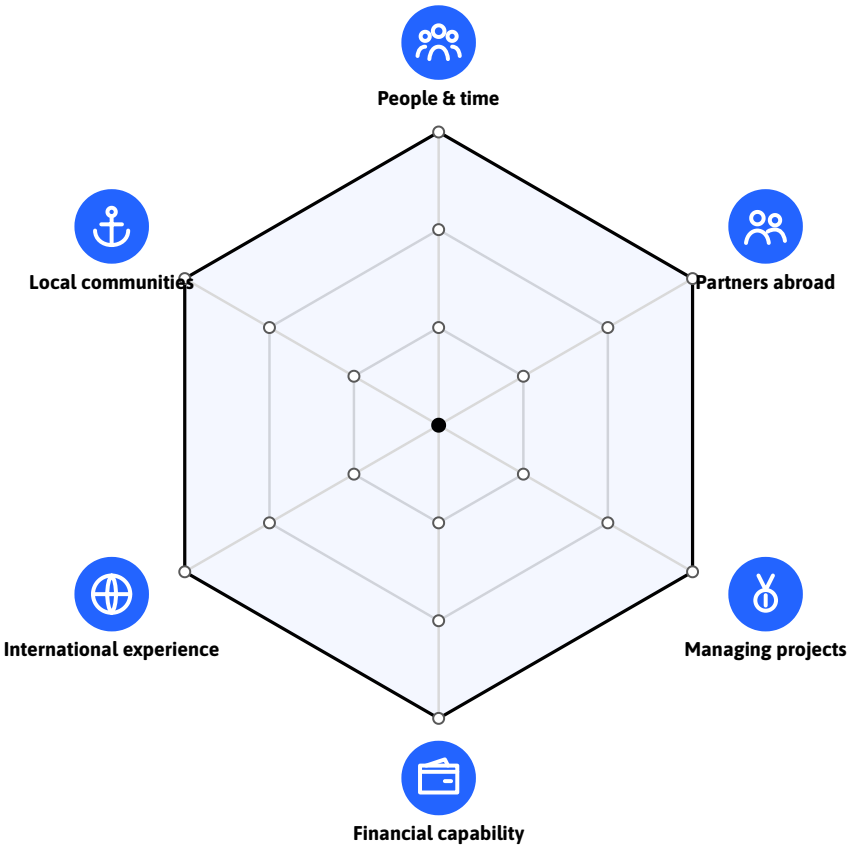

How does it feel?

Circle a face on each line. On your web: a dot for today, a star where you need it by 2030.

When we think about European projects

money	☹	☹	😐	🙂	🙂

2028	☹	☹	😐	🙂	🙂

Your lab's web

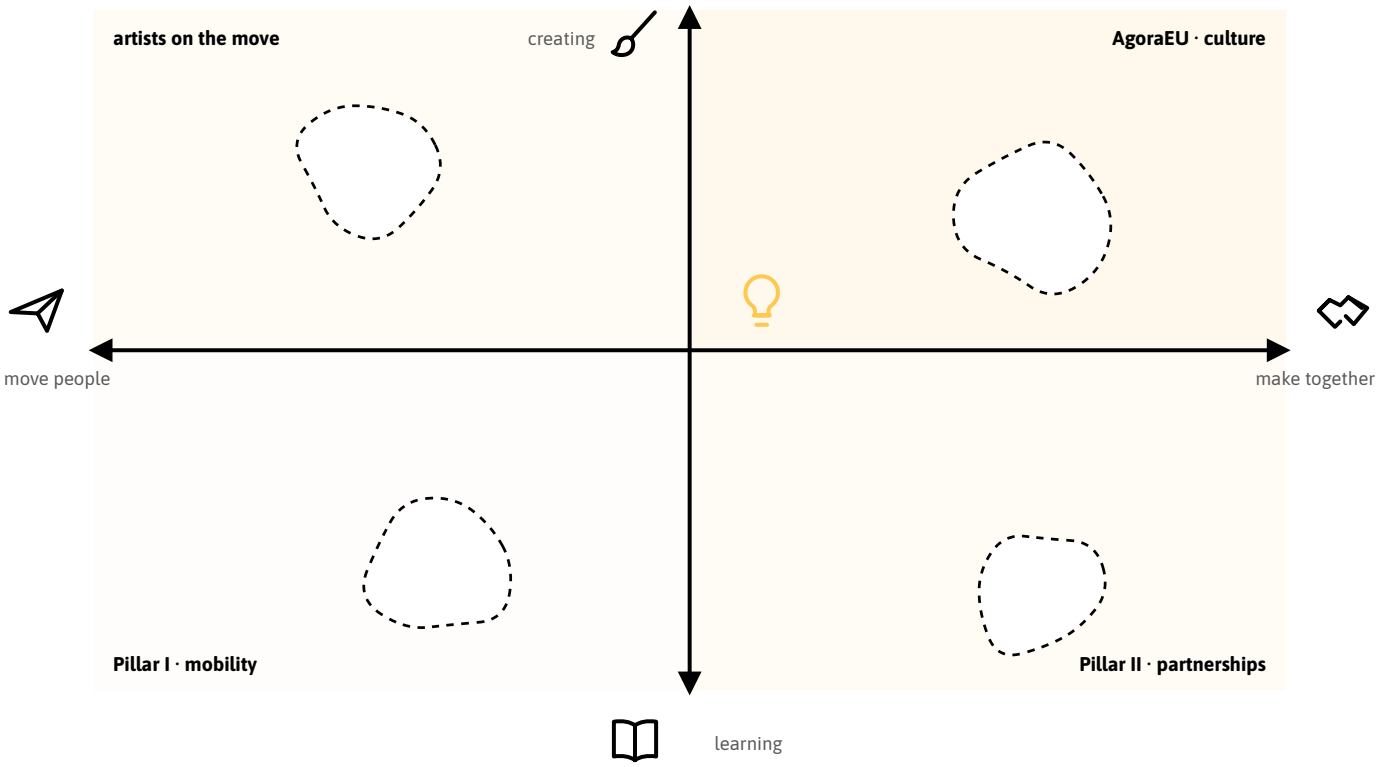

What weighed on you last time...

What made you proud...

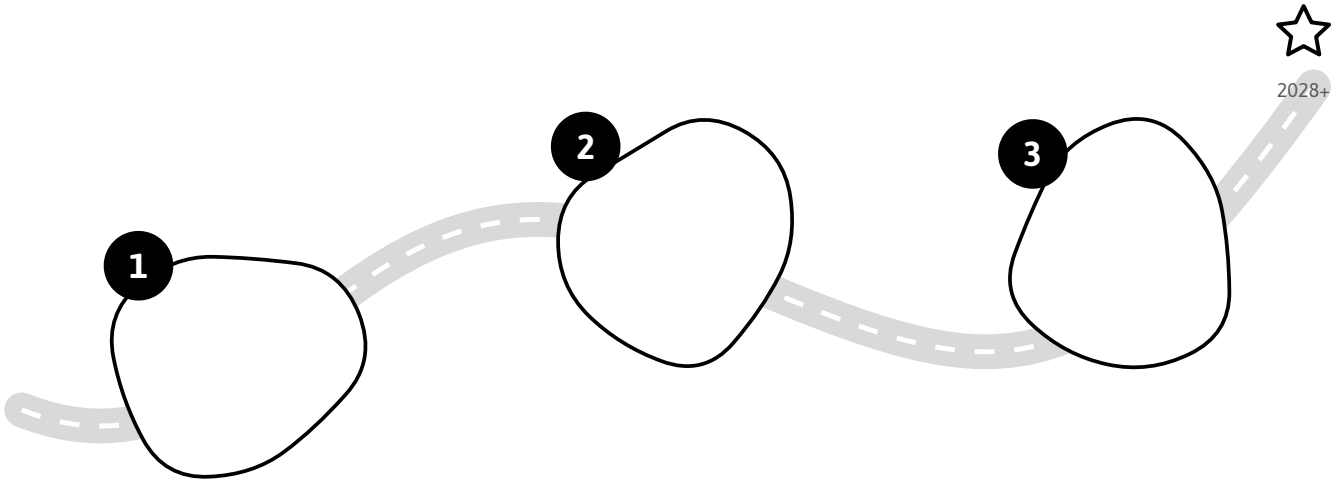

LAB _____

Ideas on the 2028 map

Drop your ideas anywhere. Draw arrows when they move. Then walk your path, stone by stone.

Your path, stone by step

team · partners · test · track record
young people · methods · art · local
2027 · 2028 · later

team · partners · test · track record
young people · methods · art · local
2027 · 2028 · later

2

3

Who helped today

LAB _____

Your roadmap

Where you want to be, what to build, what gets you there.

People & time · Partners abroad · Managing projects · Financial capability · International experience · Local communities

	2027	2028	2029–34
beyond EU
